

Visit our Tamworth Headquarters

How to find us: **By Road**

From the M42 (and Birmingham Airport)

Leave the M42 at Junction 10
 At the slip road roundabout take the A5 West towards Tamworth
 Take first turning on the left off the A5 signposted to Fazeley on the A5404
 At first roundabout (with Centurian Pub on your left) go straight over
 Go through a set of traffic lights and at next roundabout turn left onto Ninian Way (signposted to Tame Valley Industrial Estate)
 Take third road on the right into Forties (past the Co-Op Extra Superstore)
 Quiss Technology is at the bottom of this road directly ahead of you

From the M6

Exit the M6 at Junction 12
 At the slip road roundabout take the A5 (signposted towards Cannock and Brownhills)
 Stay on the A5 for approximately 20 miles. Alternatively, take the M6 Toll Road, leave at exit T4 and take the A5 towards Tamworth for approximately 5 miles.

From an elevated section of the A5 you will see an Asda Supermarket on your left.
 Take the next exit signposted towards Glascote
 At the roundabout turn right into Marlborough Road
 Follow this road going straight over the first roundabout (with Morrisons Supermarket on your right)
 Go straight over the second roundabout into Ninian Way
 Take the third road on the right into Forties (past a Co-op Superstore)
 Quiss Technology is at the bottom of this road directly ahead of you

Parking

The visitor parking area for Quiss Technology is at the side of the building, the entrance road is just to the right. The main reception is at the front, deliveries should go to the back of the building.

How to find us: **By Rail**

There is a limited service run by Central Trains to Wilnecote Station from Birmingham New Street and Tamworth. Quiss Technology is a short walk from Wilnecote Station - the quickest route is to walk on to Claymore from Watling Street (which is a no-through road to traffic).

Alternatively there are more regular train journeys run by Virgin and Central Trains to Tamworth Station. A taxi service from Tamworth Station is available at the entrance of the station. Telephone the National Rail Enquiries line on 08457 48 49 50 for more information.
